COMPANY PROFILE

The ACME Group, founded in 1985, is a pioneering, specialist manufacturer of professional stage lighting, sound systems, and architectural lighting. In recent years, the business has seen rapid growth in both its home market and overseas. Today, the ACME Group prides itself on its far-reaching sales and support network, which covers 70 countries and regions worldwide.

Through its continuous innovation and development, ACME has successfully established 2 impressive factory sites in China and is increasingly influencing the market internationally.

ACME | REYN AUDIO | CASE | MDG | SPOTRACK

Factory Kaohsiung: located in Daliao District, Kaohsiung City, Taiwan Province, spans 3,500 square meters, as a complete R&D and production system in Taiwan to enhance the global competitiveness of the ACME brand with Taiwanese manufacturing.

Factory Foshan: located in Gaoming District, Foshan City, Guangdong Province, spans 67,000 square meters, supported by extensive R&D, professional manufacturing process, and skilled sales, become a leading manufacturer in the professional stage lighting and sound industry.
